

GALIBORE NATURE CAMP

Unit of Jungle Lodges & Resorts Ltd., Govt. of Karnataka, India.

Karnataka
One state. Many worlds.

Welcome to Galibore Nature Camp - situated 100 Km from Bangalore, in the middle of rugged wilderness overlooking the River Cauvery and surrounded by wooded hills. It is one of the most secluded birding hotspots in Southern Karnataka. Earlier known as GALIBORE FISHING CAMP, popular among anglers for Mahseer fishing and it is converted as nature camp after banning fishing in forest areas.

Deep in the deciduous forests about 10 km from Sangam, on the banks of the River Cauvery. There is no habitation of any kind for miles around and the only sounds are the birdcalls and the whistling of the wind. Indeed the place gets its name from a windy hillock called **Galibore**, situated just behind the camp. The Camp itself is covered with trees lining both sides of the river. This is indeed a rough country. This is ideal for those who want total privacy and no crowd and to get fresh air with in 100 km from Bangalore.
