

# BANNERGHATTA NATURE CAMP

Unit of Jungle Lodges & Resorts Ltd., Govt. of Karnataka, India.

Karnataka  
One state. Many worlds.

Bannerghatta on the outskirts of Bangalore (25km), ONLY National park in India which is close to capital city offering you all the sights, sounds and action of 25,000 acres of carefully preserved jungle. In the eco-proactive spirit of Jungle Lodges, we have created a Nature Camp - an ideal place for school children/ fresher to be moulded into future naturalists. Bannerghatta is where Karnataka Forest Department rehabilitated lions and tigers rescued from circuses (the largest number in India).

In the Bannerghatta Bio-park, lions, tigers & bears live in kraals that recreate their natural habitat. It's unforgettable. Go on a safari into the kraals, walk along the many wooded trails in the protected part. It's spectacular. This camp is also an ideal venue for small meetings. The unique attraction of Bannerghatta Nature Camp includes rich flora and fauna, stunning birds, lions, tigers, bears & wild elephants.
