WELCOME TO OLD MAGAZINE HOUSE

Old Magazine House at Ganeshgudi near Dandeli is tucked away in a thick pocket of evergreen forest offering a real jungle experience. It is also an ideal base for rafting enthusiasts who would like to take on the rapids of the River Kali. Situated approximately 1800 ft above sea level, the camp is blessed with excellent climate throughout the year.

This is the right place to catch your breath, learn more about nature and get away from the mad rush. The Old magazine brings to mind rustic, old-world, classic roughing it. And it's exactly that. The camp is surrounded by thick forest and you can be sure of spotting the jungle's rare and vibrant avian denizens. The Old Magazine House is less about what you can see and more about what you can do. And there's a lot of the latter.
